

# Every dollar you give will help create a better future for disadvantaged Australian children.

\$30

helps power our **iTrack** program, providing mentors to give guidance about study and careers.

\$50

can pay for volunteer training and books to support our **student2student** reading program, helping students improve their literacy skills.

\$85

helps students broaden their horizons by funding our **Work Inspirations** program, giving them a positive introduction to the world of work.

\$210

can purchase a **School Essentials pack**, providing a child with necessities like stationery, sports kits and a new uniform.

\$624

can support a student's education for an entire school year, providing educational and financial assistance through our **Learning for Life** program.
